

We make important healthcare decisions **easier**

When faced with a medical challenge, getting the right information and support is key to making important decisions with confidence. Health Advocate's doctors, nurses and other experts are standing by 24/7 to help you make the right medical decisions for you and your family. Just make the call and we'll do the rest. **All at no cost to you.**

✓ **Talk to a Medical Expert**

We'll answer your questions about your medical condition and research the latest, most advanced approaches to care.

✓ **Get Expert Second Opinions**

We'll connect you with the nation's leading specialists and medical centers to confirm your diagnosis and treatment plan. We'll also handle the transfer of medical records, lab results and X-rays.

✓ **Find the Right Doctors**

We'll find the right doctor or specialist for your condition—one who's close by and in your network. We'll even make the appointment!

✓ **Explore Treatment Options**

Our experts will clearly explain diagnoses and treatment options, so you can make the right decisions about your care. They'll also provide support and guidance along the way.

Call today for confidential support with all of your medical needs.

Our services are available to employees, their spouse/domestic partner, dependent children, parents and parents-in-law.
