

Register for Back-Up Care Now So You're Prepared When You Need It

Whenever you need an extra hand, call on **Bright Horizons®**.

If your regular care is unavailable, you have access to *Bright Horizons Back-Up Care™* to help support you and your family's caregiving needs. We'll arrange high-quality care for you so you'll have peace of mind, and your loved ones will get the care they need.

Register in advance, and complete your care profile now (including required forms) so you're prepared to reserve care when you need it.

For our latest guidelines on back-up care use after exposure to COVID-19, visit www.brighthouse.com/covid19. If you are unable to secure appropriate back-up care, please contact us at 877-BH-CARES (242-2737) to discuss alternative care options.
