

Hello all,

In an effort to provide solutions for individuals with varying work schedules and environments, Publicis Groupe has developed programming geared towards training, collaboration and productivity for our remote employees.

These programs are beneficial to those working remotely on a permanent basis, as well as those who may be temporarily away from their home offices due to global public health concerns.

### **REMOTE & FLEXIBLE WORKING**

Learn the skills to thrive in a remote environment, including approaches to relationship building as well as technical skills like file sharing and information security.

- [Run an Effective Online Meeting](#) (2 modules; 6 mins)
- [Working Remotely](#) (9 modules; 20 mins)
- [Thriving in a Remote Environment](#) (9 modules; 20 mins)
- [Managing a Remote or Flexible Team](#) (12 modules; 25 mins)

### **PUBLICIS WAYS OF WORKING**

Build skills centered on collaboration, performance management and agile work schedules, as well as digital organization, no matter where you and your team are located.

- [An Introduction to PWOW: Publicis Ways of Working](#) (1 module; 24 mins)
- [Ways of Working Learning Program for Employees](#) (14 modules; 28 mins)
- [Ways of Working Learning Program for Managers](#) (30 modules; 60 mins)

*\*Note that the Publicis Ways of Working programs were launched in 2019 specifically for our UK market, but provide many useful tips for any staff working remotely.*

For ideal navigation, please use Chrome. Should your browser open to the Publicis Learning homepage, use the Search bar on the top right to search for the course title.

If you have questions related to remote or flexible working curricula for your employees, please [reach out to us](#).

For specific questions related to flexible and remote working in your market, please reach out to your local talent teams.
